National Network of Hospital-based Violence Intervention Programs

NNHVIP is dedicated to strengthening existing hospital-based violence intervention programs and helping develop similar programs in communities across the country.

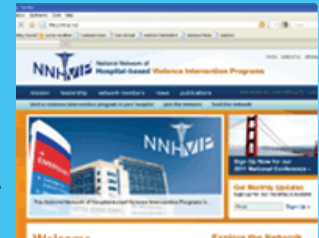

In this issue, you will find information on:

- News and Updates
- Funding Opportunities
- New Research
- NNHVIP 2011 Conference
- Training Opportunities
- Resource Spotlight

NNHVIP Has a New Home Online!

The National Network of Hospital-based Violence Intervention Programs is proud to present our new online home: www.NNHVIP.org. At www.NNHVIP.org, we provide information on the Network, its members, and resources for all hospital-based violence intervention programs. Visit us today to learn more!

Working Group Quarterly Report

NNHVIP has four working groups: Steering Committee, Research and Evaluation, Policy, and Workforce Development. These groups meet monthly and work to further the efforts of the Network. To learn about the efforts of each working group from July 2010-August 2010, [click here](#).
