

VIP: ACCESS

National Network of Hospital-based Violence Intervention Programs

NNHVIP is dedicated to strengthening existing hospital-based violence intervention programs and helping develop similar programs in communities across the country.

In this issue, you will find information on:

- News and Updates
- Funding Opportunities
- New Research
- Collaboration Opportunities

Welcome New Members!

NNHVIP would like to welcome three new programs to the Network:

- **Caught in the Crossfire (Los Angeles, CA)**
- **Rochester Youth Violence Partnership (Rochester, NY)**
- **Within Our Reach (Chicago, IL)**

Want to Join the Network?

The mission of NNHVIP is to Strengthen existing hospital-based violence intervention programs and help develop similar programs in communities across the country.

There are no costs associated with membership. Even if your program is still in the early stages of development, we encourage you to submit a membership application.

The Marla Becker Scholarship

The Marla Becker Scholarship is awarded annually to a new or emerging hospital-based violence intervention program. Scholarship winners will receive \$1250 of financial support to visit an established NNHVIP member program and participate in a 2-day on-site training.

Who is Eligible?

- Hospital-based or hospital-linked programs that provide violence prevention/intervention services to violently injured patients, including new programs in development or former programs in the reestablishment process.
- Programs whose initial client referrals are based on the treatment for violent injury
- Programs whose initial contact with the client take place in the hospital when possible
- Programs operated by a hospital, a community-based non-profit and/or a government entity are eligible.

Upcoming Events

September 28-30, 2011

Informing Cultural Competence through Research and Best Practices — Eliminating Disparities Across Systems

Columbus, OH • Multiethnic Advocates for Cultural Competence and The National Leadership Council on African American Behavioral Health

Resource Spotlight: CrimeSolutions.gov

The Department of Justice's Office of Justice Programs (OJP) launched CrimeSolutions.gov, a one-stop shop for information about programs that work in criminal justice, juvenile justice, and crime victim services. This new website is a credible resource to inform practitioners about what works using the best available evidence in order to help state, local, and tribal jurisdictions address crime effectively and efficiently.
